2.5 - Evaluation Process and Reforms

2.5.1 - Mechanism of internal assessment is transparent and robust in terms of frequency and mode. Write description within 200 words.

Tingkhong College is a constituent College of Dibrugarh University and as an affiliated institution, the college follows the norms of the affiliating university i.e. Dibrugarh University regarding the conduct of in semester/sessional examination and its evaluation. At the beginning of the semester, the faculty members organize a counselling programme to assist the new students in the development of their educational plans, choice of appropriate course and also inform the students about the various components in the assessment process during the semester. There are 20 marks for internal assessment and 80 marks for end semester examination in each course during each semester. The internal assessment of 20 marks comprises of four components viz. Sessional Examination I (written), Sessional Examination II (written), Seminar/ Group Discussion/ Home assignment and Attendance each of which has been assigned 25 marks of the total marks allotted for Internal Assessment i.e., 20 marks. Thus the college conducts two Sessional Examinations in each semester besides conducting Group Discussion, Seminars and giving Home Assignments to the students as part of the continuous evaluation process. The Evaluation process is transparent. The answer scripts are normally evaluated within a stipulated time of the completion of the examination after which the students are encouraged to go through their evaluated scripts in the presence of the teacher concerned where their mistakes are pointed out and their doubts, if any, are addressed.

4.4.2 - There are established systems and procedures for maintaining and utilizing physical, academic and support facilities - laboratory, library, sports complex, computers, classrooms etc.

The Principal is at the helm of all the maintenance and utilization of physical, academic and support facilities. Every year the funds are allocated for up gradation of the facilities that are available in the college. A dedicated group of non-teaching staff members

regularly clean maintain and look after the physical facilities like classrooms, laboratories, sports complex, library, washrooms, students common room and so on. Apart from this, the college has a well-equipped gymnasium. One member from the faculty is selected every year as the in-charge of the gymnasium who keeps an eye on its maintenance. Again, every year the library and its books are upgraded, new books are added and the library management system is maintained. The Library Management Software was updated during the current year. SOUL3.0 was installed to manage the library database. Again, there is a proper vigilance system to ensure that nobody destroys or vandalizes the physical, academic and other support facilities of the college.

6.2 - Strategy Development and Deployment

6.2.1 - The institutional Strategic/ perspective plan is effectively deployed

Every Department follows the curriculum that is provided by the University. However, the prepared curriculum and its effective implementation is vested completely upon the faculty of the institution. The Departments elaborate the graduate attributes of the papers taught. These help the teachers to track the learning process and its objectives. The Academic Calendar for the conduct of examinations and evaluation is prepared by the Dibrugarh University. As the College is a Constituent College of the Dibrugarh University, examination and evaluation are held as per the rules and regulations of the University and the College strictly adheres to them. Despite the financial constraints that we face as a rural college, the college administration ensures that a Research-oriented environment is maintained in the College. The College Library is equipped with effective surveillance system that includes CCTV cameras to prevent pilfer aging. The College follows a decentralized mode of operation whereby the authority vests all important responsibilities equally among all the committees like Examination Committee. The college

promotes the local Agro-based industries that are strength of the area in which the College is situated. The students are made to interact with these local industries by means of regular field trips to them.

7.1.8 - Describe the Institutional efforts/initiatives in providing an inclusive environment i.e., tolerance and harmony towards cultural, regional, linguistic, communal socioeconomic and other											

diversities (within 200 words).

Assamese culture is enriched with the ideals of tolerance and harmony. Despite the differences in linguistic, communal as well as socioeconomic diversities the institution adopts the medium of sports and cultural activities to create a platform that unites everyone. The coaching workshops of different sports and recreational activities that were held during the session 2020-21 were very effective initiatives to create an inclusive environment. Every player is an equal in the field and keeping in mind this particular objective these programs were adopted. Apart from this, the Annual Sports and Cultural Week also help us to create an environment which is all-inclusive. These initiatives to develop a sportsmanship spirit proved beneficial and helpful in creating a harmonious environment in the college.

7.2 - Best Practices

7.2.1 - Describe two best practices successfully implemented by the Institution as per NAAC format provided in the Manual.

Best Practice 1:

Title of the Practice: Empowerment of Women Education

The Context:

The creation of an educated society demands the creation of educated mothers. Only an educated woman can lend a hand in creation of an educated society whereby all the children irrespective of their gender get equal educational opportunities.

Best Practice 2:

Title of the Practice: Awareness and Outreach Activities by the NSS Unit.

The Context: Mahatma Gandhi, the Father of the Nation, had recognized that the country could not progress in a desired direction until the students and the youth of the nation are motivated to work for the upliftment of the community and society at large. The National Service Scheme was started to establish a meaningful linkage between the campus and the community. With this distinct vision in mind, the authorities of the Tingkhong College decided to conduct different awareness and outreach activities with the help and involvement of the NSS unit of the College.

7.3 - Institutional Distinctiveness

7.3.1 - Portray the performance of the Institution in one area distinctive to its priority and thrust within 200 words

Tingkhong College is a dedicated institution that endeavours to cater to the rural and underprivileged students who are at times deprived off their right to quality education. In a strive to fulfill this particular objective the College already received the grants for initiating the science stream. Further, in this current academic year a large number of students were given the opportunity to learn and understand about the different skill based sources of livelihood. The College management understands the importance of agro-based industries in the locality and in its development. Hence, in order to provide encouragement to the students to develop themselves even in these fields of agro-based enterprises a series of workshops and programs were hosted whereby the students learnt how these local sources of livelihood can be developed to create a self-sustainable economic situation.
